Forecast For East of England
Issued by Met Office Exeter
at 1600 on Friday 15 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry overnight. Snow Saturday morning, clearing later.

This Evening and Tonight:
Another cold evening with frost and patchy fog forming. Fog is likely to clear later in the night as cloud and strengthening winds spread from the west, bringing outbreaks of snow later. Minimum temperature -3 deg C (27 deg F).

Saturday:
Cloudy and breezy with a spell of snow moving eastwards, turning increasingly to rain as it clears east in the afternoon. Several centimetres of snow are possible in many places. Maximum temperature 4 deg C (39 deg F).

Outlook for Sunday to Tuesday:
Sunday and Monday will be largely dry with spells of sunshine. Cold overnight however, with areas of frost. Cloudy and windy on Tuesday with outbreaks of rain. Milder.
